

# Urban Water - Residential Wastewater Charges 2011/12

The GMMWater urban wastewater tariff structure is based on the size of the town and when the wastewater system was implemented.

There are 24 towns throughout our region that are supplied with wastewater services:

Towns	Service Availability Charge
Ararat, Birchip, Charlton, Dimboola, Donald, Edenhope, Halls Gap, Hopetoun, Horsham, Jeparit, Minyip, Murtoa, Natimuk, Nhill, Ouyen, Rainbow, Sea Lake, Serviceton, St Arnaud, Stawell, Warracknabeal, Willaura and Wycheproof	\$406.20 pa
Kaniva	\$389.35 pa
Large Town Vacant Land (development rate applies to our growth corridor towns - Ararat, Halls Gap, Horsham and Stawell)	\$187.91 pa

These above tariffs have been approved by the Essential Services Commission for the 2011/12 year and were advertised in all major regional newspapers in July 2011.
