

Connecting to the Goroke Sewerage Scheme

To assist you to connect to the Goroke Sewerage Scheme, please follow the below steps.

- Contact your licensed plumber of choice.**
Certified to best practice standards ISO 9001, 14001 and 45001
- Complete our 'Consent to Connect to the Wastewater System' form and return to us.**
Your plumber will contact us for information in order to connect your property to the Goroke Sewerage Scheme.
- Pay your once-off sewerage connection fee.**
We will issue you an invoice for this fee. Please let us know on the application for consent to connect application form if you prefer us to direct this charge to your plumber, where they will include this charge on their invoice to you.
Total cost during 2024/2025 financial year: \$135.30 for residential and \$203.10 for commercial properties. An application fee of \$67.50 will also be applied.
- Make an appointment with your plumber to connect your property to the Goroke Sewerage Scheme.**
Your plumber will organise the date of connection of your property with us.
Important: Please ensure your plumber submits a copy of your property's drainage plan to us once they have connected your property to the Goroke Sewerage Scheme.
- Pay your Capital Contribution Charge.**
We will issue you with a separate invoice for the Capital Contribution Charge. Payment options are detailed on the back of your May 2025 invoice.
The Capital Contribution Charge is \$800. Customers paying by prearranged instalments will be charged interest at set rate of 5.53%, \$16.56 per quarter for 20 years. This is the minimum repayment per quarter. Additional payments and/or an early payout may be made.

Please note that an ongoing quarterly Sewer Service Availability Charge will be included on your water bill whether your property is connected to the Goroke Sewer Scheme or not.

Concessional, community facility or vacant land discounts are available. Please see our Urban Water – Residential Wastewater Charges 2024/25 available at gwmwater.org.au/charges for more information.

If you have any questions about connecting to the Goroke Sewerage Scheme, please contact our Customer Call Centre on 1300 659 961 during business hours.
